

## Disaster Relief Shepherd (DRS) Commitment

I, \_\_\_\_\_, understand that the role of Disaster Relief Shepherd (DRS) fulfills the #1 goal of the network, which is to see every family affected by disaster sponsored by the local Church. As a volunteer, I understand and agree that I am representing Jesus, His Church, my church fellowship, and ADRN when serving an affected family.

I understand that I will need the help of the Lord and others to accomplish this role with excellence. I will seek ongoing support through the Disaster Relief Coordinator (DRC) within my church and/or an ADRN representative, and a prayer partner. I will pray for opportunities to share the love and life-transforming power of Jesus with my sponsored family.

**I will notify ADRN's Shepherd Support (512-806-0800) if anything arises that would prevent me from contacting this family or fulfilling my obligations as a DRS, listed as follows:**

- 1. demonstrate Christ-like love through which the Gospel of Jesus Christ can be shared, including giving away bibles, praying with survivors and sharing my testimony, if applicable**
- 2. contact the family within the first 24 hours and maintain 3 hours per week availability, if needed, to provide spiritual, emotional, and physical support to an affected family**
- 3. dedicate myself to walk alongside an affected family, in relationship with the local church, up to 3 months during disaster recovery**
- 4. document all volunteer hours and donations, and close my assigned case utilizing ADRN's database and forms**

By signing this agreement, I commit to the above conditions.
