

// **URGENT CALL TO ACTION** //

**TO: Friend of ADRN**  
**FROM: Rev. Dr. Dwight Bailey, Jr.**  
**DATE: June 2024**  
**RE: URGENT HELP FOR DISASTER SURVIVORS**

In the aftermath of devastating floods, numerous tornadoes, and dangerous storms that have wreaked havoc across our nation recently, Austin Disaster Relief Network has mobilized to respond to urgent needs — AND WE NEED YOUR HELP.

Entire communities have been upended throughout the Midwest and Great Plains states, including Oklahoma, Louisiana, and Texas. In our Greater Austin community, San Marcos was recently heavily impacted by sustained high winds and hail, resulting in multiple downed trees and powerlines.

As families survey the damage from these disasters . . . men, women, and children are overwhelmed with feelings of loss, anxiety, grief, and hopelessness.

**You can help ADRN bring them the HOPE of Jesus during this crisis.**

**Please give as generously as you can today to help us respond to these neighbors in dire need.**

Your support will directly fund the procurement of crucial supplies — including clean-up buckets, personal hygiene kits, essential clothing, shelter resources, and other practical necessities.

In addition, you will enable us to continue offering emotional and spiritual care to survivors as they walk through the coming days, weeks, and months of rebuilding their lives, homes, businesses, and communities.

Every contribution will have a meaningful impact for someone whose life has changed in an instant. Please join us in this mission of coming together to support our neighbors in their most challenging moments.

**With your help, we can replenish our supplies as we continue to respond . . . ensuring relief and restoration for many of those affected.**

Thank you for your compassion and for standing with us at this critical time. Together, we can bring hope into crisis as we help rebuild communities in the name of Jesus Christ.

With gratitude,

Rev. Dr. Dwight Bailey, Jr.  
ADRN Executive Director
